

IT Hardware Disposal Process

Rice computers, hard drives and other devices with memory must be wiped before disposal, to protect the University from data loss. Policy 809, Control of Equipment and other Property can be found at: <http://www.professor.rice.edu/professor/policies.asp>

- Rice computers
- Hard Drives and Peripherals
- Devices with memory
- Networking Equipment
- For other Equipment, call ext. 4357

*Note on this listing that Rice IT will not support technology items purchased through the Rice Classifieds website.
